Mission

The Nonprofit Development Partnership (NpDP) is dedicated to sustaining and enhancing the effectiveness of nonprofit organizations through education and capacity-building opportunities in the Flathead region of Northwest Montana.

The focus of NpDP is on 501(c)3 nonprofit organizations engaged in five general areas: Arts and Culture, Basic Human Needs, Conservation/Natural Resources, Economic Development and Education.

Background

NpDP was created in September 2003 to develop a support system, based on national models, to enhance and sustain nonprofits in the region. The Steering Committee – composed of members active in the nonprofit sector in our communities – meets to determine short- and long-term goals and objectives for NpDP.

Outreach Activities

- ◆ Monthly Brown Bag lunch workshops to build the skills of staff and volunteers
- ◆ Seminars for in-depth information and discussion
- ◆ Networking groups and events to build connections between professionals, volunteers, and supporters
- ◆ Monthly e-newsletter keeping nonprofits informed

Working Committees

Steering—Provides overall direction of NpDP work, including strategic planning, administration, and coordination

Communications—Develops marketing and public relations for Brown Bags, seminars and special events, as well as other marketing materials

Program—Develops content for Brown Bags, Seminars and Networking Activities

NpDP is supported by The Sustainability Fund

And Operated in Partnership with Flathead Valley Community College Continuing Education and FVCC Foundation
